MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON AUGUST 21, 2018

Except where otherwise indicated, information contained in this management information circular (the “Circular”) is given as of July 24, 2018. Unless otherwise indicated, all dollar amounts are expressed in Canadian dollars and references to “\$” are to Canadian dollars.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation by management of the Corporation of proxies to be used at the annual meeting of the shareholders of the Corporation (the “Meeting”) to be held at the offices of Wildeboer Dellece LLP, Wildeboer Dellece Place, 365 Bay Street, Suite 800, Toronto, Ontario at 11:00 a.m. (Toronto time) on August 21, 2018, or at any adjournment thereof, for the purposes set forth in the enclosed notice of annual meeting of shareholders (the “Notice of Meeting”).

Proxies will be solicited primarily by mail but may also be solicited personally, by telephone or by facsimile by the directors, officers or employees of the Corporation at nominal cost. The costs of solicitation will be borne by the Corporation.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are representatives of management of the Corporation and are directors and/or officers of the Corporation. **All shareholders of the Corporation (the “Shareholders”) have the right to appoint a person or corporation (who need not be a Shareholder of the Corporation), other than the persons designated in the accompanying form of proxy, to represent the Shareholder at the Meeting. Such right may be exercised by inserting the name of such person or corporation in the blank space provided in the form of proxy or by completing another proper form of proxy.** A Shareholder wishing to be represented by proxy at the Meeting or any adjournment or postponement thereof must deposit his, her or its executed form of proxy with the Corporation’s transfer agent and registrar, Computershare Investor Services by mail or delivery to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attn: Proxy Department, no later than 11:00 a.m. (Toronto time) on Friday, August 17, 2018, or at least 48 hours, excluding Saturdays, Sundays and holidays, before any adjournment or postponement of the Meeting at which the proxy is to be used. After such time, the Chair of the Meeting may accept or reject a form of proxy delivered to him or her in his or her discretion but is under no obligation to accept or reject any particular late form of proxy. A proxy should be executed by the Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney.

In addition to any other manner permitted by law, a proxy may be revoked, before it is exercised, by an instrument in writing executed in the same manner as a proxy and deposited to the attention of the Secretary of the Corporation at the registered office of the Corporation at any time up to 5:00 p.m. (Toronto time) on the last business day before the day of the Meeting or any adjournment or postponement thereof at which the proxy is to be used or with the Chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof and thereupon the proxy is revoked. The document used to revoke a proxy must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A registered Shareholder attending the Meeting has the right to vote in person and, if the Shareholder does so, his, her or its proxy is nullified with respect to the matters such Shareholder votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

Under normal conditions, confidentiality of voting is maintained by virtue of the fact that the Corporation’s transfer agent tabulates proxies and votes. However, such confidentiality may be lost as to any proxy or ballot if a question arises as to its validity or revocation or any other like matter. Loss of confidentiality may also occur if the board of directors of the Corporation (the “Board”) decides that disclosure is in the interests of the Corporation or its Shareholders.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The common shares of the Corporation (the “**Shares**”) represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if a Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Shares represented by proxy shall be voted accordingly.

If a specification is not made with respect to any matter, the proxy will confer discretionary authority and will be VOTED “FOR” ALL THE RESOLUTIONS DESCRIBED BELOW. The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting in such manner as such person, in his or her judgment, may determine. At the date of this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold their Shares in their own name and are considered non-registered beneficial Shareholders. Only registered holders of Shares or the persons they appoint as their proxyholder are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including, among others, banks, trust companies, securities dealers, brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans) that the Non-Registered Holder deals with in respect of the Shares; or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. Non-Registered Holders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Shares can be recognized and acted upon at the Meeting. In accordance with the requirements of the Canadian Securities Administrators, the Corporation will have distributed copies of the meeting materials, including the form of proxy/voting instruction form and the Circular (collectively, the “**Meeting Materials**”) to the clearing agencies and Non-Registered Holders, or Intermediaries for onward distribution to Non-Registered Holders, as applicable. If you are a Non-Registered Holder, your Intermediary will be the entity legally entitled to vote your Shares at the Meeting. Shares held by an Intermediary can only be voted upon the instructions of the Non-Registered Holder. Without specific instructions, Intermediaries are prohibited from voting Shares.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Non-Registered Holders in advance of the Meeting. Often, the form of proxy supplied to a Non-Registered Holder by its Intermediary is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Non-Registered Holder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Non-Registered Holder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Non-Registered Holder may call a toll-free telephone number or access the Internet to provide instructions regarding the voting of Shares held by the Non-Registered Holder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Non-Registered Holder receiving a voting instruction form cannot use that voting instruction form to vote Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have such Shares voted.

Non-Registered Holders should ensure that instructions respecting the voting of their Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary or Broadridge, as applicable. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Non-Registered Holders in order to ensure that their Shares are voted at the Meeting.

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purpose of voting Shares registered in the name of their Intermediary, a Non-Registered Holder may attend the Meeting as proxyholder for the Intermediary and vote the Shares in that capacity. **Non-Registered Holders who wish to attend the Meeting**

and indirectly vote their Shares as a proxyholder, should enter their own names in the blank space on the form of proxy or voting instruction form provided to them by their Intermediary and/or Broadridge, as applicable, and return the same in accordance with the instructions provided by their Intermediary and/or Broadridge, as applicable, well in advance of the Meeting.

In any case, the purpose of the above noted procedures is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Non-Registered Holders should carefully follow the instructions and procedures of their Intermediary or Broadridge, as applicable, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Non-Registered Holders who have objected to their Intermediary disclosing the ownership information about themselves to the Corporation are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 – “Communication with Beneficial Owners of Securities of a Reporting Issuer” (“**NI 54-101**”), the Corporation is permitted to send the Meeting Materials directly to the NOBOs. The Corporation is not sending the Meeting Materials directly to NOBOs under NI 54-101. In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to the Intermediaries for distribution to NOBOs and OBOs. The Corporation will reimburse the Intermediaries for fees and costs incurred by them in mailing the Meeting Materials to NOBOs and OBOs in accordance with NI 54-101.

All references to Shareholders in this Circular and the accompanying instrument of proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person who has been a director or an executive officer of the Corporation at any time since the beginning of its last completed financial year, proposed nominee for election as a director of the Corporation, or any associate or affiliate of any such director, executive officer or proposed nominee, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except as disclosed in this Circular.

RECORD DATE

Persons registered on the records of the Corporation at the close of business on July 17, 2018 (the “**Record Date**”) are entitled to vote at the Meeting. The failure of any Shareholder to receive a copy of the Notice of Meeting does not deprive the Shareholder of the right to vote at the Meeting. Only holders of Shares as of the Record Date are entitled to vote such Shares at the Meeting.

QUORUM

Two Shareholders representing not less than 5% of the shares entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum at the Meeting or any adjournment or postponement thereof. The Corporation’s list of Shareholders as of the Record Date has been used to deliver to Shareholders the Notice of Meeting and this Circular as well as to determine who is eligible to vote at the Meeting.

For the financial year ended December 31, 2017, the Corporation had two NEOs, namely: Larry Phillips as Chief Executive Officer and Louis Nagy as Chief Financial Officer and Corporate Secretary.

Compensation Discussion and Analysis

The Corporation's executive compensation program is designed to provide motivation and incentives to its executives with a view to enhancing shareholder value and successfully implementing the Corporation's business plans, to attracting and retaining key employees, to recognizing the scope and level of responsibility of each position, to providing a competitive level of total compensation to all of its executives, and to rewarding superior performance and achievement. The Corporation evaluates both performance and compensation to ensure that its compensation philosophy and objectives are met. The Corporation periodically reviews its executive compensation philosophy and program to ensure that they are consistent with the Corporation's goal of attracting, retaining and motivating its executive officers to enhance shareholder value.

Role of the Compensation Committee

In November, 2017, the Corporation formed a Compensation Committee which is responsible for, among other things, the oversight of the Corporation's compensation plans. Specifically, the Compensation Committee is responsible for reviewing the Corporation's compensation philosophy and developing and fostering a compensation policy that rewards the creation of shareholder value and reflects an appropriate balance between short and long-term performance. It is important to the Corporation to ensure it is capable of attracting, motivating and retaining individuals who will contribute to the long-term success of the Corporation. The Compensation Committee has not yet established a written charter or mandate.

The Compensation Committee is responsible for negotiating the total compensation program for the NEOs and any other executive officers, reviewing and advising on stock option guidelines, including making recommendations on specific option grants, and reviewing and communicating to the Board the compensation policy and principles that will be applied to other employees of the Corporation.

In reviewing executive compensation, the Compensation Committee relies on the advice of the Chief Executive Officer regarding other officers of the Corporation (including the NEOs) and allows him to participate in the Compensation Committee's deliberations on those officers. The Chief Executive Officer will participate in the deliberations of the Compensation Committee or the Board on his compensation and his compensation will be determined by the Board. The Compensation Committee may not delegate any of its responsibilities to another entity or to an individual without the approval of the Board.

Composition of the Compensation Committee

The Compensation Committee is currently comprised of the following individuals: Larry Phillips (Chairman) and Joseph Conway.

Larry Phillips – Mr. Phillips is President of Corplex Management Services providing advisory services in international business and governmental affairs to private and public companies. Mr. Phillips held the position of Executive Vice President, Corporate Affairs and General Counsel of IAMGOLD Corporation from December, 2007 to October, 2009. While at IAMGOLD, Mr. Phillips served as a Director of The World Gold Council. Prior to that, he was the managing partner of a Toronto-based law firm specializing in corporate commercial law. Mr. Conway has a B.Sc. from Memorial University of Newfoundland (1981), and an MBA from Dalhousie University (1987). He has been Interim Chief Executive Officer and Interim President of Primero Mining Corp (TSX:P) (Primero) since March 2017 and has held numerous other executive positions with Primero since 2010.

Joseph Conway is considered independent under NI 58-101 (as defined under “Statement of Corporate Governance Practices – The Board of Directors”). Mr. Larry Philips is not considered to be “independent” within the meaning of NI 58-101 as a result of his roles as Chief Executive Officer of the Corporation. For further details concerning the Compensation Committee, see “Statement of Corporate Governance Practices”.

Director Compensation

Each non-management director of the Corporation received a payment of \$10,000 for each fiscal quarter, each chair of a committee received an additional payment of \$2,500 for each fiscal quarter, and \$46,112 in share based awards for the financial year ended December 31, 2017. Members of the Board are also reimbursed by the Corporation for all travel and other out-of-pocket expenses.

Each director of the Corporation is eligible to participate in the Option Plan. Option grants for the directors are approved by the Board, based on the recommendation of the Compensation Committee. The number of stock options granted is based on competitive and market conditions, including based on a comparison of option grants to directors of other corporations of a comparable size and market capitalization. When determining whether and how many new option grants will be made, the Board takes into account the amount and terms of any outstanding options. The Corporation does not require its directors to own a specific number of Shares.

During the financial year ended December 31, 2017, options to purchase an aggregate of 900,000 Shares were granted to non-management directors of the Corporation.

Objectives of NEO Compensation Program and Compensation Philosophy

The objectives of the Corporation’s NEO compensation program are to: (a) attract, motivate and retain high-caliber individuals; (b) align the interests of the NEOs with those of the Shareholders; (c) establish an objective connection between NEO compensation and the Corporation’s financial and business performance; and (d) incent the NEOs to continuously improve operations and execute on corporate strategy. The NEO compensation program is, therefore, designed to reward the NEOs for increasing shareholder value, achieving corporate performance that meets pre-defined objective criteria and improving operations and executing on corporate strategy.

The Corporation’s policy with respect to the compensation of NEOs is to establish annual goals with respect to corporate development and the individual areas of responsibility of each NEO and then to review total compensation with respect to the achievement of these goals. In addition, the Corporation recognizes the importance of ensuring that overall compensation for NEOs is not only internally equitable, but also competitive within the market segment. Specifically, the Compensation Committee’s review and evaluation will include measurement of, among others, the following areas: (a) the achievement of corporate objectives, such as financings, partnerships and other business development, in particular having regard to budgetary constraints and other challenges facing the Corporation; (b) the Corporation’s financial condition; and (c) the Corporation’s share price and market capitalization.

The NEO compensation program consists of two principal components: (a) base salary; and (b) long-term incentives. Each component has a different function, as described in greater detail below, but each element works together to reward the NEOs appropriately for personal and corporate performance.

There have been no significant changes to the Corporation’s compensation policies or practices since the end of the Corporation’s most recently completed financial year.

Base Salary

Base salaries are considered an essential element in attracting and retaining the Corporation’s senior executives (including the NEOs) and rewarding them for corporate and individual performance. Base salaries are established taking into account performance and experience, level of responsibility and competitive pay practices. Base salaries are reviewed annually and adjusted, if appropriate, to reflect performance and market changes. Any increase to the base salary of the Chief Executive Officer must be approved by the Board and is based on the recommendation of the Compensation Committee. The Chief Executive Officer is responsible for determining and recommending any increase in salary for the other NEOs to the Compensation Committee. In addition, discretionary bonuses may be

provided upon approval of the Board.
Long-Term Incentives

The Corporation’s long-term incentive compensation for senior executives (including the NEOs) is provided through stock option grants under the Option Plan. Participation in the Option Plan is considered to be a critical component of compensation that incents the NEOs to create long-term shareholder value, as the value of the options are directly dependent on the market valuation of the Corporation. The Option Plan also serves to assist the Corporation in retaining senior executives as the options granted under the Option Plan typically vest over time.

Each NEO is eligible for an annual option grant to be approved by the Board based on the recommendation of the Compensation Committee. The number of stock options granted is based on the NEO’s level of responsibility and personal performance and also on competitive and market conditions. Special option grants may be considered, if warranted, for performance or other reasons. Each NEO was also granted options upon the commencement of employment with the Corporation. When determining whether and how many new option grants will be made, the Board takes into account the amount and terms of any outstanding options. The Corporation does not require its NEOs to own a specific number of Shares.

The Option Plan requires that the option exercise price may not be less than the market price of the Shares at the time the option is granted, subject to any discounts permitted by applicable securities laws and stock exchange rules. Options vest at the discretion of the Board and expire five years after the date of the grant. The award of any options under the Option Plan to the NEOs will be subject to the approval of the Board, based on the recommendation of the Compensation Committee.

For further details concerning the Option Plan, see “Securities Authorized for Issuance Under Equity Compensation Plans – Option Plan”.

Restricted Share Unit Plan

The Restricted Share Unit Plan allows for certain discretionary bonuses and similar awards as an incentive and reward for selected eligible persons related to the achievement of long-term financial and strategic objectives of the Corporation and the resulting increases in the Corporation’s shareholder value. The Restricted Share Unit Plan is intended to promote a greater alignment of interests between the Corporation’s shareholders and the selected eligible persons by providing an opportunity to participate in increases in the value of the Corporation. RSUs are akin to “phantom shares” that track the value of the underlying shares of the Corporation but do not entitle the recipient (an “**RSU Grantee**”) to the actual underlying shares until such restricted share units vest. Eligible Participants Participation in the Restricted Share Unit Plan is restricted to employees and officers of the Corporation. Employees, including directors who are also employees, are eligible to participate in the Restricted Share Unit Plan. The Restricted Share Unit Plan will permit the Board to grant awards of RSUs to an RSU Grantee. Upon vesting, the RSUs will be converted on a one-for-one basis for freely tradable, non-restricted Shares. The Board shall have the discretion to stipulate the length of time for vesting and to determine various performance objectives based on certain business criteria as a pre-condition to a RSU vesting. It is the Board’s intent that all RSUs will only vest upon the lapse of a certain time period or the achievement of performance objectives designed to advance the Corporation’s business interests and increase the value of the Corporation. The performance objectives to be met will be established by the Board at the time of grant of the RSU. RSUs shall expire if they have not vested prior to an expiry date to be set by the Resulting Board, which shall be no later than December 31 of the third calendar year after the year in which the RSUs have been granted, and will be terminated to the extent the performance objectives or other vesting criteria have not been met. RSUs will remain outstanding and vest in accordance with their terms notwithstanding the subsequent termination of employment of an RSU Grantee, unless the RSU Grantee is terminated by the Corporation with cause, in which case all RSU awards of the RSU Grantee, whether vested or unvested will be forfeited and cancelled without payment. The maximum number of Shares available for issuance upon the vesting of RSUs under the Restricted Share Unit Plan, in the aggregate, shall not exceed 1,367,148 Shares, subject to any adjustments under the terms of the Restricted Share Unit Plan. The maximum number of post-consolidated shares issuable pursuant to the Restricted Share Unit Plan, together with the Option Plan, shall not exceed 10% of the Corporation’s issued and outstanding shares. The Restricted Share Unit Plan may be amended or discontinued by the Board at any time, subject to applicable regulatory and shareholder approvals, provided that no such amendment may materially and adversely affect any RSU previously granted under the Restricted Share Unit Plan without the consent of the RSU holder, except to the extent required by law. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 – "Corporate Governance Guidelines" sets out a series of guidelines for effective corporate governance (the "**Guidelines**"). The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. National Instrument 58-101 – "Disclosure of Corporate Governance Practices" ("**NI 58-101**") requires the disclosure by each listed corporation of its approach to corporate governance with reference to the Guidelines as it is recognized that the unique characteristics of individual corporations will result in varying degrees of compliance. Set out below is a description of the Corporation's approach to corporate governance in relation to the Guidelines.

The Board of Directors

NI 58-101 defines an "independent director" as a director who has no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with such member's independent judgment.

The Board is currently comprised of five members. Messrs. Larry Philips and Madani Diallo are not considered to be "independent" within the meaning of NI 58-101 as a result of their roles as Chief Executive Officer and consultant, respectively. Messrs. James Henderson, Joseph Conway and William Pugliese are each considered to be "independent" directors within the meaning of NI 58-101 since they are free from any material relationship with the Corporation.

The Board believes that it functions independently of management. To enhance its ability to act independent of management, the Board meets in the absence of members of management and the non-independent directors or may excuse such persons from all or a portion of any meeting where a potential conflict of interest arises or where otherwise appropriate.

Directorships

The following directors of the Corporation also hold other reporting issuer directorships as set out below:

Director	Reporting Issuer	Symbol	Stock Exchange
Larry Phillips	Gowest Gold Ltd. California Gold Mining Inc.	GWA CGM	TSX-V TSX-V
Madani Diallo	Oklo Resources Limited	OKU	Australian Securities Exchange

Orientation and Continuing Education

While the Corporation currently has no formal orientation and education program for new Board members, sufficient information (such as recent annual reports, financial statements, management discussion and analysis, proxy solicitation materials, technical reports and various other operating, property and budget reports) is provided to any new Board member to ensure that new directors are familiarized with the Corporation's business and the procedures of the Board. As well, new directors meet with management of the Corporation to receive a detailed overview of the operations of the Corporation. All directors are encouraged to visit and meet with management on a regular basis. The Corporation also encourages continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics which reflects the Corporation's commitment to a culture of honesty, integrity and accountability and outlines the basic principles and policies with which all directors, officers, employees and consultants are expected to comply. The Code of Business Conduct and Ethics addresses such matters as compliance with laws, conflicts of interest, confidential information, protection and proper use of the Corporation's assets, rules and regulations and the reporting of illegal and unethical behaviour.

We encourage personnel who become aware of a conflict or potential conflict or departures from the Code of Business Conduct and Ethics to bring it to the attention of management. We have also established additional procedures for confidential and anonymous reporting of complaints concerning accounting, internal accounting controls and auditing matters. The Board requires every director and executive officer to disclose any direct or indirect conflict of interest that he or she has, and obtains annually from each director and executive officer formal confirmation of compliance with the Code of Business Conduct and Ethics.

Any waivers of the Code of Business Conduct and Ethics for directors or members of senior management may only be granted by the Board (or a committee to whom that authority has been delegated), while any waiver for all other employees may only be made by the Chief Executive Officer and upon prior review and disclosure with the Board.

Nomination of Directors

While there are no specific criteria for Board membership, the Corporation attempts to attract and maintain directors with strong general business knowledge and, in particular, knowledge of mineral exploration and development or other areas necessary for the proper oversight of the Corporation (such as finance). The goal is to have a well-rounded board of directors capable of assisting in guiding the officers of the Corporation in all facets of the business. As such, nominations tend to be the result of recruitment efforts by management of the Corporation and discussions among the directors prior to the consideration of the Board as a whole.

Compensation

The Board meets on an annual basis for the purpose of reviewing the adequacy and form of compensation of directors and the Chief Executive Officer to ensure that such compensation reflects the responsibilities, time commitment and risks involved in being an effective director and/or officer of the Corporation. The Corporation has formed a Compensation Committee which will make recommendations to the Board on all matters relating to the compensation of directors, members of the various committees of the Board and officers and employees of the Corporation, in order to ensure that the Corporation is in a position to attract, motivate and retain high-calibre individuals. Among other functions, the Compensation Committee will monitor and evaluate the performance of the Chief Executive Officer and other members of senior management.

The Compensation Committee is currently comprised of Messrs. Larry Phillips and Joseph Conway. Mr. Joseph Conway is considered independent under NI 58-101. Mr. Larry Phillips is not be considered independent within the meaning of NI 52-110 as a result of his role as the chief executive officer to the Company. The Compensation Committee does not yet have a written mandate or charter, but intends to establish one in the near future. More information pertaining to compensation can be found under the heading "Statement of Executive Compensation" above.

Assessments

The Board assesses, on an annual basis, its contribution as a whole and the contribution of each of the constituent directors, in order to determine whether each is functioning effectively. No formal assessment criteria have been established and assessments are informal in nature. Given the size of the Board and the candid and open nature of its operation, formal assessment criteria are not considered to be required or warranted at this time; however, the Board may establish more formal assessment criteria in the future.

MANAGEMENT CONTRACTS

Management functions of the Corporation are not performed by any person other than the directors or executive officers of the Corporation.

Mr. Phillips's contract for services renews monthly. As part of the contract for Mr. Phillip's services, the Corporation must give Mr. Phillips's management six months' notice of termination. If Mr. Phillips's contract was terminated on December 31, 2017 he would have been entitled to a payment of \$90,000.

Mr. Nagy's contract for services renews monthly. As part of the contract for Mr. Nagy's services, the Corporation must give Mr. Nagy's management sixty day notice of termination. If Mr. Nagy's contract was terminated on December 31, 2017 he would have been entitled to a payment of \$13,000.

OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

Management of the Corporation knows of no matters to come before the Meeting other than as set forth in the accompanying Notice of Meeting. However, if other matters which are not known to management should properly come before the Meeting, the accompanying proxy will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

3. GRANT OF OPTIONS

3.1 Option Terms

Pursuant to paragraph 7.3 of the Plan, the Board shall have the authority to issue Options and set the terms of Options in accordance with the terms of the Plan and applicable policies of the Exchanges.

The Board may from time to time authorize the issue of Options to Eligible Persons.

Subject to the limitations in Section 6.2(a) applicable to U.S. Participants and Section 6.3(c) applicable to Incentive Stock Options, the Option Price for each Option shall be not less than the Discounted Market Price on the Grant Date provided that if an Option is granted within 90 days of the distribution of Shares by the Company pursuant to a prospectus, the Option Price must be the greater of the Discounted Market Price and the per share price paid for Shares acquired under such distribution. The 90 day period begins: (a) on the date a final receipt is issued for the prospectus, or, in the case of an initial public offering of Shares, on the date of listing of the Shares; or (ii) in the case of a prospectus that qualifies the distribution of Shares upon the exercise of special warrants, on the date of issuance of such special warrants.

The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten (10) years after the Grant Date, subject to the operation of paragraph 4.5. Options shall not be assignable (or transferable) by the Optionee.

3.2 Previously Granted Options

In the event that on the date this Plan is implemented and effective (the “**Effective Date**”) there are outstanding stock options (the “**Pre-Existing Options**”) that were previously granted by the Company pursuant to any stock option plan in place prior to the Effective Date (a “**Pre-Existing Plan**”), all such Pre-Existing Options shall, effective as of the Effective Date, be governed by and subject to the terms of the Plan.

3.3 Limits on Shares Issuable on Exercise of Options

At the time of grant of any Option, the aggregate number of Shares reserved for issuance under the Plan which may be made subject to Options at any time and from time to time (including those issuable upon the exercise of Pre-Existing Options) together with those Shares reserved for issuance at such time under any other established or proposed share compensation arrangement of the Company shall not exceed 10% of the total number of issued and outstanding Shares, on a non-diluted basis, as constituted on the Grant Date of such Option.

Any Shares subject to an Option which has been granted under the Plan and which has been subsequently cancelled or terminated in accordance with the terms of the Plan, without having been exercised, will again be available for issuance pursuant to the exercise of Options granted under the Plan.

The number of Shares which may be issuable under the Plan and all of the Company’s other previously established or proposed share compensation arrangements, in any 12 month period:

- (a) to any one person, shall not exceed 5% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval to exceed such limit;
- (b) to Insiders as a group shall not exceed 10% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval to exceed such limit;
- (c) to any one Consultant shall not exceed 2% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis; and
- (d) to all Eligible Persons who undertake Investor Relations Activities shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis.

3.4 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee.

In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary.

The execution of an Option Agreement by the Company shall constitute conclusive evidence that the Option issued thereunder has been awarded in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to paragraphs 4.3, 4.4, 4.5 and 6.2, including, without limitation: (i) any restriction (including vesting requirements) on the number or percentage of Option Shares which may be purchased by the Optionee during any particular time period; (ii) any restriction on the exercise of Options pursuant to the requirements of a Black-Out Period or any regulatory authority having jurisdiction; and (iii) termination of the Option in accordance with the terms of the Plan, the unexercised portion of an Option may be exercised by the Optionee in whole or in part at any time after the Grant Date up to the Expiry Time and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company written notice specifying the number of Option Shares in respect of which the Option is being exercised together with payment in full of the Option Price for each such Option Share by way of certified cheque, bank draft, money order or cash. Upon receipt of such notice and payment by the Company, there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Upon an Optionee exercising an Option and paying the Company the aggregate purchase price for the Option Shares in respect of which the Option has been exercised, the Company shall as soon as practicable issue and deliver a certificate representing the Shares so purchased.

4.3 Vesting of Option Shares

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on Option grants set out in paragraph 3.3 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Consultants performing Investor Relations Activities, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period. Notwithstanding the foregoing, in the event that a Pre-Existing Plan imposed vesting requirements on a Pre-Existing Option, such vesting requirements must be satisfied before any such Pre-Existing Options shall become Vested.

4.4 Ceasing to be an Eligible Person and Death

(a) Death or Disability

If an Optionee (or: (a) in the case of an Optionee that is not an individual, the person that controls such Optionee; or (b) in the case of an Optionee that is a Consultant Company, all of the individuals who provide services to the Company or its subsidiaries on behalf of such Consultant Company) shall die, any Option held by such Optionee at the date of death shall be exercisable in whole or in part only by the person or persons to whom the rights of the Optionee under the Option shall pass by the will of the Optionee or the laws of descent and distribution for a period ending on the earlier of: (a) one year after the date of death of the Optionee, or such longer period as the Board may determine; and (b) the Expiry Time in respect of the Option, and then only to the extent that such Optionee was entitled to exercise the Option at the date of death of such Optionee.

If the Optionee ceases to be an Eligible Person, due to his or her Disability or, in the case of an Optionee that is a company, the Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, any Option held by such Optionee at the date of Disability shall be exercisable in whole or in part for a period ending on the earlier of: (a) one year after the date of Disability of the Optionee or such longer period as the Board may determine; and (b) the Expiry Time in respect of the Option, and then only to the extent that such Optionee was entitled to exercise the Option at the date of Disability of such Optionee.

(b) Termination For Cause

If the Optionee ceases to be an Eligible Person as a result of “termination for cause” of such Optionee by the Company or its subsidiary (or in the case of an Optionee who is a Management Company Employee or Consultant, by the Optionee’s employer), as that term is interpreted by the courts of the jurisdiction in which the Optionee is employed or engaged, any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company’s retirement policy then in force, or due to his or her voluntary resignation, or to his or her termination by the Company or its subsidiary other than for cause (or, in the case of an Optionee who is a Management Company Employee or a Consultant, the termination of the company providing management or consultant services to the Company or its subsidiary), any outstanding Option then held by such Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of: (i) the Expiry Time; and (ii) the date that is 90 days (or 30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee ceases to be an Eligible Person or such longer period as determined by the Board.

(d) Spin-Out Transactions

If pursuant to the operation of sub-paragraph 5.3(c) an Optionee receives options (the “**New Options**”) to purchase securities of another company (the “**New Company**”) in respect of the Optionee’s Options (the “**Subject Options**”), the New Options shall expire on the earlier of: (i) the Expiry Time of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to sub-paragraph 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New Company’s stock option plan that correspond to sub-paragraphs 4.4(a), (b) or (c) hereof; and (iv) the date that is two (2) years after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Interpretation

For purposes of this paragraph 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this paragraph 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Extension of Expiry Date During Black-Out Period

If the Expiry Date in respect of any Option occurs during or within five (5) trading days following a Black-Out Period imposed by the Company, the Expiry Date of the Option shall be automatically extended to the date that is ten (10) trading days following the end of such Black-Out Period (the “**Extension Period**”); provided that if an additional Black-Out Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Black-Out Period to enable the exercise of such Options within ten (10) trading days following the end of the last imposed Black-Out Period.

4.6 Effect of a Take-Over Bid

If a *bona fide* offer (an “**Offer**”) for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full

particulars of the Offer, whereupon (subject to the approval of the Exchanges) all Option Shares subject to such Option will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then, subject to the limitations in Section 6.2(d) applicable to U.S. Participants, the Option Shares received upon such exercise, or in the case of sub-paragraph (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to paragraph 4.3 shall be reinstated. If any Option Shares are returned to the Company under this paragraph 4.6, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.7 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer, provided that any accelerated vesting of Options granted to Consultants performing Investor Relations Activities shall be subject to the prior written approval of the Exchanges. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this paragraph, except that not less than 5 business days' and not more than 35 days' notice is required.

4.8 Compulsory Acquisition or Going Private Transaction

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares of the Company pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Shares to the take-over bid.

4.9 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges, if necessary.

4.10 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company (including, in the case of a Management Company Employee or Consultant, termination of the company providing such management or consulting services to the Company or its subsidiary), the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not

be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.11 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a “**Share Reorganization**”) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in clause (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “**Special Distribution**”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in paragraphs 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;
- (c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or
- (d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a “**Corporate Reorganization**”) the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of paragraphs 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

6. OPTIONS GRANTED TO U.S. PARTICIPANTS

6.1 Maximum Number of Shares for Incentive Stock Options

Notwithstanding any other provision of this Plan to the contrary (including, but not limited to, Section 3.3), the number of Shares available for granting Incentive Stock Options under the Plan may not exceed 10% of the total number of Shares outstanding on a non-diluted basis as of the later of: (i) date this Plan is initially adopted by the Board of Directors or (ii) the date the Plan is approved (or re-approved) by the shareholders of the Company, subject to adjustment in accordance with Article 5.

6.2 Special Requirements for Incentive Stock Options and Nonqualified Stock Options

The stock option agreement relating to any Option granted to a U.S. Participant shall specify whether such Option is an Incentive Stock Option or a Nonqualified Stock Option. If no such specification is made, the Option will be (a) an Incentive Stock Option if all of the requirements under the Code are satisfied or (b) in all other cases, a

Nonqualified Stock Option. In addition to the other provisions of this Plan (and notwithstanding any other provision of this Plan to the contrary), the following limitations and requirements will apply to any Option granted to a U.S. Participant:

- (a) The exercise price payable per Share upon exercise of an Option will not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option;
- (b) The Company may use its reasonable efforts to ensure that any adjustment with respect to the exercise price for and number of Shares subject to an Option (including, but not limited to, the adjustments contemplated under Section 5) granted to a U.S. Participant pursuant to this Plan will be made so as to comply with, and not create any adverse consequences under, sections 424 and 409A of the Code;
- (c) With respect to any extension of an Expiry Date in accordance with paragraph 4.5 of the Plan, the term “Black-Out Period” shall mean a period of time during which, pursuant to the policies of the Company that are reasonably designed to ensure compliance with applicable securities laws or rules of the Exchanges, trading in Shares or Options is prohibited or restricted; and
- (d) With respect to the right of rescission provided in Section 4.6, such right shall be limited so as to comply with, and not to create any adverse consequences under, section 409A or any other provision of the Code.

6.3 Special Requirements for Incentive Stock Options

In addition to the other provisions of this Plan (and notwithstanding any other provision of this Plan to the contrary), the following limitations and requirements will apply to an Incentive Stock Option:

- (a) An Incentive Stock Option may be granted only to employees (including a director or officer who is also an employee) of the Company (or of any parent or subsidiary of the Company). For purposes of this Article 6, the term “employee” shall mean a person who is an employee for purposes of the Code and the terms “parent” and “subsidiary” shall have the meanings set forth in sections 424(e) and 424(f) of the Code;
- (b) The Company will not grant Incentive Stock Options in which the aggregate Fair Market Value (determined as of the date of grant) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any U.S. Participant during any calendar year (under this Plan and all other plans of the Company and of any parent or subsidiary of the Company) exceeds US\$100,000 or any limitation subsequently set forth in section 422(d) of the Code;
- (c) The exercise price payable per Share upon exercise of an Incentive Stock Option will not be less than 100% of the Fair Market Value of a Share on the date of grant of such Incentive Stock Option; provided, however, that, in the case of the grant of an Incentive Stock Option to a U.S. Participant who, at the time such Incentive Stock Option is granted, is a 10% Shareholder, the exercise price payable per Share upon exercise of such Incentive Stock Option will be not less than 110% of the Fair Market Value of a Share on the date of grant of such Incentive Stock Option;
- (d) An Incentive Stock Option will terminate and no longer be exercisable no later than ten years after the date of grant of such Incentive Stock Option; provided, however, that in the case of a grant of an Incentive Stock Option to a U.S. Participant who, at the time such Incentive Stock Option is granted, is a 10% Shareholder, such Incentive Stock Option will terminate and no longer be exercisable no later than five years after the date of grant of such Incentive Stock Option;

For purposes of this Article 6, the term "permanent disability" has the meaning assigned to that term in section 422(e)(3) of the Code;

- (f) An Incentive Stock Option granted to a U.S. Participant may be exercised during such U.S. Participant's lifetime only by such U.S. Participant;

- (h) No Incentive Stock Option will be granted more than ten years after the earlier of the date this Plan is adopted by the Board or the date this Plan is approved by the shareholders of the Company.

Delegation to Committee

1.5 All of the powers exercisable hereunder by the Board may, to the extent permitted by law and as determined by a resolution of the Board, be delegated to a Committee including, without limiting the generality of the foregoing, those referred to under §1.4).

1.6 Subject to specific variations approved by the Board and set forth in an Award Agreement, all terms and conditions set out herein will be incorporated into and form part of each Restricted Share Unit granted under this Plan.

Effective Date

1.7 This Plan will be effective on upon completion of the Company's acquisition of Mali Gold Exploration Pty Ltd. After such date, the Board may, in its discretion, at any time, and from time to time, issue Restricted Share Units to Eligible Persons as it determines appropriate under this Plan. PART 2

AWARDS UNDER THIS PLAN

Recipients

2.1 Only Eligible Persons are eligible to participate in this Plan and receive one or more Restricted Share Units. Restricted Share Units that may be granted hereunder to a particular Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or a Related Entity, as the case may be, in the Company's or the Related Entity's fiscal year ending in, or coincident with, such calendar year.

Grant

2.2 The Board may, in its discretion, at any time, and from time to time, grant Restricted Share Units to Eligible Persons as it determines is appropriate, subject to the limitations set out in this Plan. In making such grants the Board may, in its sole discretion but subject to §2.4, in addition to Performance Conditions set out below, impose such conditions on the vesting of the Restricted Share Units as it sees fit, including imposing a vesting period on grants of Restricted Share Units.

Performance Conditions

2.3 At the time a grant of a Restricted Share Unit is made, the Board may, in its sole discretion, establish such performance conditions for the vesting of Restricted Share Units as may be specified by the Committee in the applicable Award Agreement (the "**Performance Conditions**"). The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions, and may exercise its discretion to reduce the amounts payable under any Award Agreement subject to Performance Conditions. The Board may determine that a Restricted Share Unit shall vest in whole or in part upon achievement of any one performance condition or that two or more Performance Conditions must be achieved prior to the vesting of a Restricted Share Unit. Performance Conditions may differ for Restricted Share Units granted to any one Grantee or to different Grantees.

Vesting

2.4 Except as otherwise provided in §§ 3.5, 3.6 or 3.7 or elsewhere in this Plan, Restricted Share Units issued under this Plan will vest on the Trigger Date provided that any applicable Performance Conditions have been satisfied on or before the Trigger Date and provided further, that the Recipient has continued to be an Employee or Officer until the applicable Trigger Date. For the avoidance of doubt, the term "vest" or "vested" as pertaining to U.S. Taxpayers under this Plan shall mean that a Restricted Share Unit is no longer subject to a "substantial risk of forfeiture" as such term is defined in Section 409A(d)(4) of the Code and Section 1.409A-1(d)(1) of the Treasury Regulations promulgated by the United States Treasury Department.

No Restricted Share Unit will remain outstanding for any period which exceeds the Expiry Date of such Restricted Share Unit.

Forfeiture and Cancellation Upon Expiry Date

2.5 Restricted Share Units which do not vest on or before the Expiry Date of such Restricted Share Unit will be automatically cancelled, without further act or formality and without compensation. Any Restricted

-

Share Units granted to a U.S. Taxpayer which do not vest either as a result of termination of employment or services prior to the Trigger Date or as a result of a failure to satisfy any applicable Performance Conditions as of the applicable time will be automatically cancelled, without further act or formality and without compensation, as of the earlier of the termination of employment or services or the Trigger Date.

Account

2.6 Restricted Share Units issued pursuant to this Plan (including fractional Restricted Share Units, computed to three digits) will be credited to a notional account maintained for each Recipient by the Company for the purposes of facilitating the determination of amounts that may become payable hereunder. A written confirmation of the number of Restricted Share Units in each Recipient's account will be sent by the Company to the Recipient upon request of the Recipient.

Dividend Equivalents

2.7 On any date on which a cash dividend is paid on Shares, a Recipient's account will be credited with the number and type of Restricted Share Units (including fractional Restricted Share Units, computed to three digits) calculated by

(a) multiplying the amount of the dividend per Share by the aggregate number of Restricted Share Units that were credited to the Eligible Person's notional account as of the record date for payment of the dividend, and

(b) dividing the amount obtained in §(a) by the Fair Market Value on the date on which the dividend is paid.

Any additional Restricted Share Units resulting from the application of this §2.7 shall become vested and payable at the same time that the Restricted Share Units under §2.7(a), to which such new Restricted Share Units are allocable, become vested and payable. The new Restricted Share Units shall be allocable pro-rata to the Restricted Share Units under §2.7(a).

Adjustments and Reorganizations

2.8 In the event of any dividend paid in shares, share subdivision, combination or exchange of shares, merger, consolidation, spin-off or other distribution of Company assets to shareholders, or any other change in the capital of the Company affecting Shares, the Board, in its sole and absolute discretion, will make, with respect to the number of Restricted Share Units outstanding under this Plan, any proportionate adjustments as it considers appropriate to reflect that change.

Notice and Acknowledgement

2.9 No certificates will be issued with respect to the Restricted Share Units issued under this Plan, unless and until Shares are actually issued upon settlement of the Restricted Share Unit. Each Eligible Person will, prior to being granted any Restricted Share Units, deliver to the Company a signed acknowledgement substantially in the form of Schedule "A" to this Plan.

PART 3

PAYMENTS UNDER THIS PLAN

Payment of Restricted Share Units

3.1 Subject to the terms of this Plan and, in particular, §3.9 of this Plan, the Company will pay out vested Restricted Share Units issued under this Plan by paying or issuing (net of any Applicable Withholding Tax) to such Recipient, on or subsequent to the Trigger Date but no later than the Expiry Date of such Vested Restricted

Share Unit, or, with respect to Restricted Share Units held by a U.S. Taxpayer, no later than **thirty** (30) days after the Trigger Date (or any earlier date upon which the Restricted Share Unit is no longer subject to a substantial risk of forfeiture under Section 409A of the Code), an Award Payout of either:

(a) subject to receipt of the Required Approvals, one Share for such whole vested Restricted Share Unit. Fractional Shares shall not be issued and where a Recipient would be entitled to receive a fractional Share in respect of any fractional vested Restricted Share Unit, the Company shall pay to such Recipient, in lieu of such fractional Share, cash equal to the Vesting Date Value as at the Trigger Date of such fractional Share. Each Share issued by the Company pursuant to this Plan shall be issued as fully paid and non-assessable, or

(b) if the Company has not received the Required Approvals or is prohibited from issuing Shares pursuant to §3.2, a cash amount equal to the Vesting Date Value as at the Trigger Date of such vested Restricted Share Unit.

Limitation on Issuance of Shares to Insiders

3.2 Notwithstanding anything in this Plan, the Company shall not issue Shares under this Plan to any Eligible Person who is an Insider of the Company where such issuance would result in:

(a) the total number of Shares issuable at any time under this Plan to Insiders, or when combined with all other Shares issuable to Insiders under any other equity compensation arrangements then in place, exceeding 10% of the total number of issued and outstanding equity securities of the Company on a non-diluted basis; and

(b) the total number of Shares that may be issued to Insiders during any one year period under this Plan, or when combined with all other Shares issued to Insiders under any other equity compensation arrangements then in place, exceeding 10% of the total number of issued and outstanding equity securities of the Company on a non diluted basis.

Where the Company is precluded by this §3.2 from issuing Shares to an Insider of the Company, the Company will pay to the relevant Insider a cash Award Payout in an amount equal to the Vesting Date Value as at the Trigger Date of the Restricted Share Unit.

Consultants and Advisors

3.3 The Board may engage such consultants and advisors as it considers appropriate, including compensation or human resources consultants or advisors, to provide advice and assistance in determining the amounts to be paid under this Plan and other amounts and values to be determined hereunder or in respect of this Plan including, without limitation, those related to a particular Fair Market Value.

Cancellation on Termination for Just Cause or Resignation

3.4 Subject to §3.5, §3.6 and §3.7 of this Plan, unless the Board at any time otherwise determines, all unvested Restricted Share Units held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation, immediately in the event of a Termination arising from the termination of employment or removal from service by the Company or a Related Entity for Just Cause, or for the resignation of a Recipient.

Retirement, Total Disability, Death and Termination Without Cause

3.5 Except as provided in §3.6 with respect to a Recipient who is a U.S. Taxpayer, if any Recipient (other than a U.S. Taxpayer) ceases to be an Eligible Person for any of the following reasons, unvested Restricted Share Units will continue to remain outstanding and vest in accordance with the terms of this Plan for a period of sixty (60) days after the Termination Date as if such person was an Eligible Person:

-
- (a) Retirement of the Recipient;
 - (b) death or Total Disability of a Recipient; and
 - (c) the Termination of employment or removal from service by the Company or a Related Entity without cause.

Any Restricted Share Units granted to such Recipient which have not become vested Restricted Share Units on or before the date that is sixty (60) days from the Termination Date shall terminate and become null and void as of such date.

Total Disability and Death and Termination Without Cause for U.S. Taxpayers

3.6 Unless otherwise provided in an applicable Award Agreement, if a Recipient who is a U.S. Taxpayer ceases to be an Eligible Person as a result of the following events:

- (a) death or Total Disability;
- (b) the Termination of employment or removal from service by the Company or a Related Entity without cause,

then, any Restricted Share Units granted to such Recipient that are then outstanding but unvested shall become fully vested as of the occurrence of such event. The Award Payout for all Restricted Share Units that become vested under this §3.6 shall be made within thirty (30) days after such Restricted Share Units first became vested.

Termination on Change of Control

3.7 Notwithstanding anything else in this Plan, all unvested Restricted Share Units held by any Recipient will automatically vest, without further act or formality, immediately in the event of a Termination arising from the resignation or cessation of employment or service by the Recipient based on a material reduction or change in position, duties or remuneration of the Recipient at any time within 12 months after the occurrence of a Change of Control (the “**Early Trigger Date**”). Notwithstanding the foregoing, with respect to Restricted Share Units granted to a U.S. Taxpayer, such an Early Trigger Date will occur only if the resignation or cessation of employment or service by the Recipient within 12 months after the occurrence of a Change of Control is based on a material reduction in base compensation or material adverse change in the Recipient’s authority, duties or responsibilities during such period, without the Recipient’s consent, provided that the Recipient notifies the Company in writing of the existence of such circumstance within sixty (60) days of the initial existence of such circumstance and the Company does not remedy such circumstance within thirty (30) days of the Recipient’s notice.

3.8 Upon the occurrence of an Early Trigger Date of this Plan, the Company will pay out on such vested Restricted Share Units issued under this Plan and by paying (net of any Applicable Withholding Tax) to such Recipient on or subsequent to the Early Trigger Date, but no later than 10 days after the Early Trigger Date, an Award Payout in an amount equal to the Vesting Date Value as at the Early Trigger Date of such Restricted Share Units. Payments in respect of Restricted Share Units credited to the accounts of persons who are deceased will be made to or for the benefit of the legal representative of such person in accordance with §3.1.

Tax Matters and Applicable Withholding Tax

3.9 The Company does not assume any responsibility for or in respect of the tax consequences of the receipt by Recipients of Restricted Share Units, or payments received by Recipients pursuant to this Plan. The Company or relevant Related Entity, as applicable, is authorized to deduct such taxes and other amounts as it may be required or permitted by law to withhold (“**Applicable Withholding Tax**”), in such manner (including, without limitation, by withholding or selling Shares otherwise issuable to Recipients, on such terms as the Company determines) as it determines so as to ensure that it will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions, or the

remittance of tax or other obligations. The Company or relevant Related Entity, as applicable, may require Recipients, as a condition of receiving amounts to be paid to them under this Plan, to deliver undertakings to, or indemnities in favour of, the Company or Related Entity, as applicable, respecting the payment by such Recipients of applicable income or other taxes.

PART 4

MISCELLANEOUS

Compliance with Applicable Laws

4.1 The issuance by the Company of any Restricted Share Units and its obligation to make any payments hereunder is subject to compliance with all applicable laws. As a condition of participating in this Plan, each Recipient agrees to comply with all such applicable laws and agrees to furnish to the Company all information and undertakings as may be required to permit compliance with such applicable laws. The Company will have no obligation under this Plan, or otherwise, to grant any Restricted Share Unit or make any payment under this Plan in violation of any applicable laws. In addition, any certificates representing Restricted Share Units or Shares issued in the United States shall bear a legend restricting transfer under United States federal state securities laws.

Non-Transferability

4.2 Restricted Share Units and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Recipient dies the legal representatives of the Recipient will be entitled to receive the amount of any payment otherwise payable to the Recipient hereunder in accordance with the provisions hereof.

No Right to Service

4.3 Neither participation in this Plan nor any action under this Plan will be construed to give any Eligible Person or Recipient a right to be retained in the service or to continue in the employment of the Company or any Related Entity, or affect in any way the right of the Company or any Related Entity to terminate his or her employment at any time.

Successors and Assigns

4.4 This Plan will enure to the benefit of and be binding upon the respective legal representatives of the Eligible Person.

Plan Amendment

4.5 The Board may amend this Plan as it deems necessary or appropriate, subject to the requirements of applicable laws, but no amendment will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Share Units to which the Recipient is then entitled under this Plan. For greater certainty and without limiting the foregoing, prior approval of the disinterested shareholders of the Company and the TSXV shall be required for any amendment to the Plan that would increase the maximum number of Shares that may be issuable from treasury pursuant to Restricted Share Units granted under this Plan (as set out in §1.8), other than an adjustment pursuant to §2.8.

4.6 The Board may, without notice, at any time and from time to time, and without shareholder approval, amend the Plan or any provisions thereof in such manner as the Board, in its sole discretion, determines appropriate, including, without limitation:

- (a) for the purposes of making formal minor or technical modifications to any of the provisions of the Plan;

-
- (b) to correct any ambiguity, defective provision, error or omission in the provisions of the Plan;
 - (c) to change the vesting provisions of Restricted Share Units;
 - (d) to change the termination provisions of Restricted Share Units or the Plan which does not entail an extension beyond the original Expiry Date of the Restricted Share Units; or
 - (e) to make any amendments necessary or advisable because of any change in Applicable Law;

provided, however, that no such amendment of the Plan may be made without the consent of each affected Recipient in the Plan if such amendment would adversely affect the rights of such affected Recipient(s) under the Plan.

Plan Termination

4.7 The Board may terminate this Plan at any time, but no termination will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Share Units to which the Recipient is then entitled under this Plan. In no event will a termination of this Plan accelerate the vesting of Restricted Share Units or the time at which a Recipient would otherwise be entitled to receive any payment in respect of Restricted Share Units hereunder.

Governing Law

4.8 This Plan and all matters to which reference is made in this Plan will be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable therein.

Reorganization of the Company

4.9 The existence of this Plan or Restricted Share Units will not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, Shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

No Shareholder Rights

4.10 Restricted Share Units are not considered to be Shares or securities of the Company, and a Recipient who is issued Restricted Share Units will not, as such, be entitled to receive notice of or to attend any shareholders' meeting of the Company, nor entitled to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, and will not be considered the owner of Shares by virtue of such issuance of Restricted Share Units.

No Other Benefit

4.11 No amount will be paid to, or in respect of, a Recipient under this Plan to compensate for a downward fluctuation in the Fair Market Value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Recipient for such purpose.

Unfunded Plan

4.12 For greater certainty, this Plan will be an unfunded plan, including for tax purposes and for purposes of the Employee Retirement Income Security Act (United States). Any Recipient to which Restricted Share Units are credited to his or her account or holding Restricted Share Units or related accruals under this Plan

-

will have the status of a general unsecured creditor of the Company with respect to any relevant rights that may arise thereunder.

U.S. Code Section 409A for U.S. Taxpayers

It is intended that all Award Payouts made under the Plan to U.S. Taxpayers shall be exempt from Section 409A of the Code as a short-term deferral within the meaning of Section 1.409A-1(b)(4) of the Treasury Regulations. Towards that end, each Restricted Share Unit granted under the Plan to U.S. Taxpayers shall be construed to contain such terms as will qualify the Restricted Stock Unit for such exemption from Section 409A of the Code. Notwithstanding the foregoing, however, the Company shall not be liable to any Recipient or any beneficiary of a Recipient if any Restricted Share Unit under this Plan or any payment thereunder is subject to Section 409A of the Code or the Recipient or any beneficiary of a Recipient is otherwise subject to any additional tax, interest or penalty for failure to comply with Section 409A of the Code.

Securities Law Matters

If a grant under this Plan is made to a director, officer, promoter or other insider of the Company, and unless the grant is qualified by prospectus, or issued under a securities take-over bid, rights offering, amalgamation, or other statutory procedure, then the Restricted Share Unit will be subject to a four month resale restriction imposed by the TSXV.
